Commissioner or Examiner Lee:

Regarding patent application number 10/820,268 filed 4/8/04, and in response to USPTO Examiner M. Lee's communication date mailed 10/06/2009, I am providing the attached information which includes a Request for Continued Examination, \$405 RCE fee, and an argument and remarks pointing out disagreements with the examiner's contentions.

A copy of the Corrected Amendments to Claims and a Substitute Specification reflecting the argument and remarks are attached.

Thank you.
